- STAY  
AFTERWARDS  
FOR EXPORT  
ONE-ON-ONES

Have you ever thought about exporting but don't know where to start? Here's a great opportunity to learn how to export from international trade experts at no cost!

Montana businesses export more than \$1.7 billion annually to 127 foreign markets. If you are not one of the exporting firms, but want to be, ExportMontana invites you to participate in a no-cost Export 101 workshop to learn more.

ExportMontana has partnered with the U.S. Commercial Service, U.S. Small Business Administration, and the Montana District Export Council to help small businesses in Montana with leveraging Federal, State, and Local export assistance programs. International trade experts will share valuable information on how to export and help you understand the benefits of international trade for your business, as well as the Montana and national economies.

Attend this free event to hear from experts, gain valuable insights, and learn what you can do to drive international business to your doorstep.
